The East Norwalk Association Library is recruiting new board members and we hope you will consider joining us.

The library is an informational and cultural resource which has been serving the East Norwalk community for over 100 years.

As a Board member of the Library you will champion the library and support its vision as a vital community gathering place.

As a member of the Board you will serve a one year term, which could be extended to future terms, if approved by the members. There are monthly meetings which are held on the third Tues evening of each month. We are governed by bylaws and policies and Board Officers, the President, Vice-President, Secretary and Treasurer are elected by the members.

A Board member makes a commitment to carry out our duties which include attending regular meetings, revising and adopting policies, evaluating the Library's programs, fundraising and championing the library in our community.

We hope you will consider joining our Board.
